

SOUTH CAROLINA PODIATRIC MEDICAL ASSOCIATION

FALL 2010 CONTINUING EDUCATION PROGRAM

OCTOBER 8 - 9, 2010
EMBASSY SUITES HOTEL
COLUMBIA, SOUTH CAROLINA

The mission of the South Carolina Podiatric Medical Association (SCPMA) is to promote and pursue excellence in all aspects of the art and science of podiatric medicine; to promote appreciation for the excellence on the part of patients, policy makers, other health care professionals, third-party payers and the general public; to seek conditions and environments which support optimal practice and patient care; to continually seek and provide additional useful services for its membership; to keep its Members informed about any and all changes in regulations, legislation and other areas that may affect podiatric medical practice in South Carolina; and to unite with similar podiatric medical associations in other states to form the American Podiatric Medical Association, Inc. (APMA).

Please Note

- The SCPMA shall not be held liable for events beyond its control, such as acts of God, government regulations, disasters or weather-related hazards, acts of terrorism, civil unrest, or any other emergency, making it inadvisable or impossible to hold the Program. The SCPMA will make every effort to inform registrants as soon as possible, if such events should occur.

- Educational topics, speakers and meeting room locations are subject to change. Registration fee includes educational sessions and morning and afternoon breaks. ***Written cancellation/refund requests (which are subject to a \$50 processing fee) must be received by September 16th to be honored. Refunds will not be granted for no-shows.***

- All Registrants will be requested to complete and submit to the SCPMA Office the Evaluation and Assessment forms provided to them upon arrival at the Program Registration Desk. The primary responsibility for complying with the policies and requirements of the various certifying societies rests with the SCPMA; however, in order to meet such obligations, the development of course content must be based on the needs of the Doctor of Podiatric Medicine as well as the interests of the Podiatric Medical Assistant/Practice Manager. Your feedback is essential to the overall growth and success of the Program. We thank you in advance for taking the time to assist us with this process.
